

Why you should follow this course

The aims of this specification are to encourage learners to:

- develop an enthusiasm for studying business
- gain an holistic understanding of business in a range of contexts
- develop a critical understanding of organisations and their ability to meet society's needs and wants
- understand that business behaviour can be studied from a range of perspectives
- generate enterprising and creative approaches to business opportunities, problems and issues
- be aware of the ethical dilemmas and responsibilities faced by organisations and individuals
- take a more strategic view of business opportunities, problems and issues
- acquire a range of relevant business and generic skills, including decision making, problem solving, the challenging of assumptions and critical analysis

No prior knowledge of the subject is required. It is recommended that candidates have attained communication and literacy skills at a level equivalent to GCSE Grade C in English and maths.

Assessment

AS Paper 1

The questions in Sections A and B will be drawn from Theme 1 content. The question in Section C will also be drawn from Theme 2 content

AS Paper 2
